*HAPPY
NEW
YEAR*

We hope you all had a wonderful holiday season and fantastic start to 2024! This time of year is a great opportunity to reflect on the things we are grateful for in our lives and to start dreaming big about the future. All the best in reaching your goals for this year! HOTT will continue working towards growth as an organization and community.

NEW HOTT PROPERTY!

HOTT has been awarded funding through a City of Toronto program to help us acquire a new property!

We are nearing the end of the process and are happy to announce that we will be taking over our newest building very soon.

This building is a small apartment building with 22-units in the Annex. These units will be Affordable Market Rent instead of the Rent-Geared-to-Income model at most of our HOTT properties.

We are excited to start this new chapter and add our 14th property!

We are thrilled to announce that HOTT has been awarded a generous donation from Toronto Regional Real Estate Board and the Ontario REALTORS Care Foundation.

This invaluable support will directly contribute to our mission of providing essential services and affordable housing solutions to the community.
